

Gone Fishing

Well, not really, I already caught my fish...

Fellow Reef Addicts:

I won't be blogging for a couple of weeks because I'm getting married and going to Hawaii for my honeymoon. But I promise that I'll be back blogging about my reef addiction before you know it, and I'll have lots to share, including snorkeling photos of some cool fish. My tank will be under the watchful eye of a good friend, so I'm sure I'll get some good anecdotes from him, too. I can't wait to tell you all about it.
