FishChannel's Aquarium Fish Experts

Some of Our Fish Experts have been writing for Aquarium Fish International, Freshwater And Marine Aquarium, and FishChannel.com, since their inception. Many of Our Fish Experts have been involved in the aquarium hobby since childhood and are now some of the most respected people in their fields – with credits including books and scientific journals. A fishkeeper of any level should be able to find helpful information in this section that will add to their enjoyment of the hobby.
